

Contents

me	Introduction to multilevel mixed-effects models
mecloglog	Multilevel mixed-effects complementary log-log regression
mecloglog postestimation	Postestimation tools for mecloglog
meglm	Multilevel mixed-effects generalized linear model
meglm postestimation	Postestimation tools for meglm
melogit	Multilevel mixed-effects logistic regression
melogit postestimation	Postestimation tools for melogit
menbreg	Multilevel mixed-effects negative binomial regression
menbreg postestimation	Postestimation tools for menbreg
meologit	Multilevel mixed-effects ordered logistic regression
meologit postestimation	Postestimation tools for meologit
meoprobit	Multilevel mixed-effects ordered probit regression
meoprobit postestimation	Postestimation tools for meoprobit
mepoisson	Multilevel mixed-effects Poisson regression
mepoisson postestimation	Postestimation tools for mepoisson
meprobit	Multilevel mixed-effects probit regression
meprobit postestimation	Postestimation tools for meprobit
meqrlogit	Multilevel mixed-effects logistic regression (QR decomposition)
meqrlogit postestimation	Postestimation tools for meqrlogit
meqrpoisson	Multilevel mixed-effects Poisson regression (QR decomposition)
meqrpoisson postestimation	Postestimation tools for meqrpoisson
mestreg	Multilevel mixed-effects parametric survival models
mestreg postestimation	Postestimation tools for mestreg
mixed	Multilevel mixed-effects linear regression
mixed postestimation	Postestimation tools for mixed
