StataCorp is pleased to present “Seminars on Stata” on November 2, 2007, at the Residence Inn Arlington Pentagon City, in Arlington, Virginia, across the Potomac River from Washington, DC.

The meeting will be a series of seminars showing Stata’s capabilities in data management and statistical analysis. The subjects of the talks will span the spectrum from biostatistics to econometrics to computation. Whether you are new to Stata or an experienced Stata user, you’ll see how the developers work and learn some new techniques.

The meeting will run from 8:00 a.m. to 4:20 p.m. Lunch will be provided.

## Registration and information

The price to attend the meeting is \$65. There will be an optional dinner after the meeting at Las Tascas in Arlington, VA, for an additional \$35.00.

The registration deadline is October 23, 2007.
